

Blessed Sacrament Parish Adoration Chapel

If you are new to making a visit with Jesus here are some things to know about the Chapel.

1. The outside glass doors are unlocked from 6am until 8pm. At that time, they lock automatically.
2. A safety light is on at all times, more inside lights turn on automatically.
3. Coming to adore between 8pm and 6am you will need the 'code' to enter. Please call the Office for that information so we have a list of who has 'the code.' Occasionally the door does not "click" when it closes so... Please make certain the door is secure.
4. On your left, is a fire extinguisher inserted into the wall and the double doors go into the Parish Center which should be closed and locked.
5. To the right, the prayer materials on the bookshelves are for your use.
6. A restroom is off to the left of the bookshelf. The door across from the restroom is a storage closet which is locked.
7. A stand near the inside door to the chapel has a prayer intention book for you to write your intentions and for others to remember them in their prayers.
8. A chair is provided if you need to wait for your ride.
