## Pastoral Notes

From the desk of Fr. Billy Dodge

Come, Holy Spirit, fill the hearts of your faithful and enkindle in them the fire of your love!

I ask high school students in religious education this series of questions: "What is the greatest of the seven sacraments?" The answer is the Sacrament of the Eucharist because through it Jesus is truly present in the fullness of his body, blood, soul, and divinity. Then I ask, "What sacrament is the most important for your individual salvation?" The answer is Baptism. If someone is about to die, and they have not received any other sacrament, then offer to baptize them! Finally, I ask the high school students, "Why does the Church want you to receive the Sacrament of Confirmation?" If the Eucharist is the greatest sacrament, and Baptism is for your individual salvation, what is the importance of Confirmation? Confirmation gives us tools - i.e. the Gifts of the Holy Spirit - so we can go out and spread the Good News (Gospel) of Jesus to others. Baptism is for your individual salvation, the Eucharist strengthens and sustains you, and Confirmation sends you out to do what Jesus did to bring his light into the darkness. This weekend as we contemplate Pentecost - which is the outpouring of the Holy Spirit on the disciples - I ask you to reflect upon how the Holy Spirit is present in your life. The powerful gifts of the Holy Spirit unleashed in a handful of Jesus' flawed followers changed the world. Unleashed in us those gifts can continue to change the world.

Finally, on Sunday, **June 11, we will celebrate the Most Holy Body and Blood of Christ - traditionally called "Corpus Christi" - with a Eucharistic procession and followed by a picnic and outdoor activities for the kids.** The procession will take place between the two Sunday morning Masses so both Blessed Sacrament (BSP) and Roncalli Newman Mass attendees can participate. The picnic will follow at BSP. I hope you will put this into your calendar and make this a priority.

## Music and Liturgy

From the desk of Mary Ellen Hauptert

### THE NEW MSP SCHEDULE WILL GO LIVE ON JUNE 1st!

Thanks to all parishioners who entered their conflicts in the MSP program. The new schedule will go live on June 1st so there's still a couple of days to email Mary Ellen (mehauptert@viterbo.edu) with any conflicts or concerns you may have with the upcoming schedule. For example, there are some folks who would like to be inactive for the next scheduling period, which is just fine.

### LITURGICAL MINISTRIES AND OUTREACH

The QR code below is a link to a survey that will help us recruit new liturgical ministers and find out who might be interested in serving at the Salvation Army, spending an hour in Adoration, or even leading a Bible Study. The best way to breathe life into a parish is to engage parishioners in a variety of devotional and social justice activities. Hover your phone over the code and take the survey:

## Holy Hour / Happy Hour

Wednesday **June 14th, July 12th, and August 9th** - join us for Holy Hour/Happy Hour. One hour of Adoration at 6pm, followed by fellowship in the Parish Center at BSP. The women's club and the men of the parish will help provide a potluck snack and dessert with beverages for fellowship.

Learn what you can to help fight climate change and preserve that which we value: our energy independence, the quality of life of future generations, our stewardship over this planet, our jobs and businesses.

## Speak Risen Lord Series

Join us for a few songs of praise followed by prayerful, quiet reading of the Sunday readings, after which we close with shared intentions. Lectio Divina, or divine reading, is said to date back to the 6th century and is an ever fruitful way to seek the Lord's presence and receive the words He would have our hearts heed, savor and act upon. Come pray with us: 2nd and 4th Wednesdays, 5:30-7pm Newman Center, fireplace room. **June 14th and 28th**. For questions, please call Marcia Kolaczowski 608.790.5342

- **October 14th** will be the **Men of the Cross Men's Conference** at the La Crosse Center. More details to come.

## RNC SJC Juneteenth Book Collection

There's a saying "Children's books serve as a mirror for children to see themselves and their families. Creating and fostering self-esteem that can grow and be transformed. Books can be a window for children, to perceive new experiences, people, and ideas. Knowledge and empathy for others can be gained." With that thought in mind, Social Justice is planning a 'little free library', featuring children's and tween books at the Juneteenth celebration this year on Sunday, June 18, at Riverside Park.

Juneteenth is the oldest nationally celebrated commemoration of the ending of slavery in the United States. This Holiday Commemorates June 19, 1865, when the last of enslaved people heard they were free. It is a US Federal Holiday. People who visit our 'little free library table' can select a book to read and return, or keep, or pass on to another reader. SJ has chosen books based on current suggested books lists

We have started a collection of these books, but are in need of more. If you would like to donate to this project by providing a book(s), a wish list of these wonderful books is available on the following amazon wish list. [https://www.amazon.com/hz/wishlist/ls/EE3Y5C99AWVT?ref\\_=wl\\_share](https://www.amazon.com/hz/wishlist/ls/EE3Y5C99AWVT?ref_=wl_share)

If you prefer not to shop on Amazon, please feel free to use the list as a reference to purchase from a local bookstore (new or gently used)!

## May 28 – Pentecost | A Minute with Jesus

The Holy Spirit and the Eucharist

Even after the Apostles had experienced the Risen Christ, they were afraid. They gathered with Mary on the day of Pentecost and prayed behind locked doors, waiting as instructed for the Gift of the Holy Spirit. After the Holy Spirit descended upon them on Pentecost, the Apostles were no longer afraid and were equipped to fulfill their mission. It is the same for us today. When we receive the Eucharist, we also receive God the Holy Spirit, to abide in the depths of our hearts. If we allow Him, the Spirit of Truth will transform us and we will no longer be afraid, but be equipped with peace and strength for our mission. Let us then prepare for each Eucharistic encounter in the same way the Apostles prepared for Pentecost, "in prayer ... with Mary ..." (Acts 1:14).

You are encouraged to pray the Sequence for Pentecost right now and every day this week:

Come, Holy Spirit, come!

And from your celestial home Shed a ray of light divine!

Come, Father of the poor! Come, source of all our store! Come, within our bosoms shine.

You, of comforters the best; You, the soul's most welcome guest;

Sweet refreshment here below;

In our labor, rest most sweet; Grateful coolness in the heat; Solace in the midst of woe.

O most blessed Light divine, Shine within these hearts of yours, And our inmost being fill!

Where you are not, we have naught, Nothing good in deed or thought,

Nothing free from taint of ill.

Heal our wounds, our strength renew; On our dryness pour your dew;

Wash the stains of guilt away:

Bend the stubborn heart and will; Melt the frozen, warm the chill;

Guide the steps that go astray.

On the faithful, who adore And confess you, evermore In your sevenfold gift descend;

Give them virtue's sure reward; Give them your salvation, Lord;

Give them joys that never end. Amen. Alleluia.

Here are a few helpful resources from Tom Schlesinger's talk on Climate Change at RNC. Join us following the 4:30pm and 9am Masses for his Climate Change talk at BSP.

## Top Ten Actions You Can Take to Protect our Planet

To protect our planet, we need to

- work together to demand the move to 100% clean energy.
- do what each of us can in defense of our climate.

Climate change is driven by greenhouse gasses, a point on which 99% of scientists agree. We do have options to get to net-zero emissions!

### 1. Speak up!

- Vote for candidates who will help stop climate change.
- Participate: volunteer to get out the vote, go to meetings, contact your representatives.
- Vote!

### 2. Talk about climate change.

- Talk about what you are doing to fight climate change. This encourages others to act.
- At your workplace, advocate for environmentally sound policies by your employer, such as recycling and having a green supply chain. If possible, show how the change saves money.

### 3. Reduce energy use.

- Use cold water for laundry and other tasks.
- Install a heat pump in place of a failing furnace/water heater
- Install sensor-driven switches and lighting.
- Work from home regularly, if your job permits.
- Install a smart thermostat, which you can program to turn down the heat at night.
- Replace appliances with energy-smart systems.
- Turn down the thermostat when you are on vacation.

### 4. Use renewable energy.

- Renters and owners: get renewable energy through the utility / Xcel Energy's Renewable Connect program.
- Consider adding solar panels.

### 5. Reduce food waste and eat sustainably.

- Track food you pitch over a week; then buy less the next week.
- Get creative with leftover meals and ingredients.
- Compost at home or through city services..
- Add a plant-based meal to your weekly diet.

local action  
global change

## 6. Rethink transportation

- Reduce air travel, especially the short hopper flights.
- Drive less, and walk or ride, when possible.
- Use public transportation when you can.
- Consider car-sharing options, available in some cities.
- Purchase and use an electric vehicle—car, bike, or scooter!

## 7. Reduce, reuse, and recycle (in that order).

- Reduce: Buy less, which uses fewer resources and less energy.
- Reuse: Second-hand saves energy & resources, and reduces waste..
- Recycle and buy products made with recycled content.
- Buy from companies that provide recycling for products and packaging.

## 8. Use your money to shape change.

- Buy from sustainable businesses.
- Support and invest in climate-friendly companies.
- Consider investing in green projects, such as those listed by the UN Climate Convention.

## 9. Preserve and protect the natural world.

- Plant trees and support organizations that do.
- Use ECOSIA search engine-it plants trees with 80% of its ad revenue.
- Don't use chemicals on plants.

**10. Go electric!** Part of the move away from fossil fuels that generate greenhouse gasses involves electrifying your household. The following are mentioned above, but worth repeating.

- Replacing furnaces and water heaters with heat pumps reduces fossil fuel use. Check for incentives through the Inflation Reduction Act.
- Consider replacing your car with an electric or perhaps a hybrid.

Most of us can only do a few of these, but everyone can do something. Everything we do makes a difference!

Let us know what you are doing: [contact@climatealliancecg.org](mailto:contact@climatealliancecg.org). We want your ideas and suggestions in the race to reduce carbon emissions.

## Roncalli Newman Social Justice Committee Jail Ministry Volunteer Opportunity

Jail Ministry needs volunteers to work with youth. There is an opportunity to provide services/studies for the youth once a week, as needed in the Juvenile Detention Center. We are looking for volunteers that would be interested. They would be placed on a weekly rotation list and would need to call the facility first to see if there is a need that week. If there is, they would provide the service/study. Once we have the volunteers, the specific evening and time will be decided. The facility has on average of 4 youth and they do come from around the state. We are hoping the volunteers would have connections to other churches so when they get out, they could find continued fellowship. The ages are 10 to 17 with most of them being 15 to 16.

If someone wants to volunteer, contact Chaplain Ann Wales at [Lacrossejailministry.org](http://Lacrossejailministry.org). She will explain the process.
